

Occam's Razor

Boxhead

£2,150

REF: 1745

Height: 140 cm (55.1")

Width: 92 cm (36.2")

Description

Acrylic, Spray Paint and Oil Paint on Canvas.

Occam's razor is a rule of thumb used to solve a problem. If we slice away assumptions and the unknown we will be left with only the essential information and the simplest explanation. Perhaps if society applied this theory when faced with political election claims, propaganda and 'fake news' we would have a very different world.

'Own Art' Option Available - Contact the gallery for further information.
