Description

This mixed media piece protects the viewer from darkness, and brings a sense of peace and light. It is the sort of piece you need to stop and look at to pick up and recognise all the beautiful and intricate details. The rich colours and soft textures bring an ambient of comfort, but "Sacred Mosaic" is in motion. Bringing determination and strength, the paper mosaic around the figure gives them an ethereal glow.

Original.

Mixed Media 3D Collage. Recycled cardboard, gold leaf, acrylic paint & varnish.
