Description

Original. White Gallery wood frame with VUE70 Anti reflective glass.

Hand painted with acrylics and inks on 25 genuine iconic stamps, with hand cast hand painted frames and then destroyed!

All 25 works were created prior to Elizabeth II passing, and now reflects both a homage to Banksy and the passing of possibly the last Great Monarch. The Windsor Wonderland collection was painted towards the end of the Pandemic when more witty, fun and playfulness was needed.

Each stamp comes with a story COA, a suggestion to explore over time, never a conclusion but purely a hint as to the possible hidden messages within.

Signed by the Artist.
